

TYLER AND GF TALK

TYLER

I can't believe you betrayed me!

STACY

I'm sorry!

TYLER

I just can't believe that after all we have been through, I was just another pawn in your grand plan against the organization.

STACY

I just wanted to get even!

TYLER

I thought you were smarter than that! How can you, my own girlfriend deceive the very one who loved you? Me!

STACY

Sometimes, humans have other priorities.

TYLER

YOU were my main priority. Without you, I had no life... I loved you.

STACY

I know.. and I am very sad that you had to see me like this.

TYLER

Perhaps it is for the best then.. You will have a lot to think about when you are sad and lonely.

STACY

What do you mean?

TYLER

I am breaking up with you.

STACY

You can't do this to me! I am the one who inputted your name for consideration. I am the one who rescued you when you were trapped in the room. I AM THE ONE WHO STAYED BY YOUR SIDE WHEN YOU WERE AT YOUR LOWEST POINT!

TYLER

You were also the one who set up the capture of Agent 1378, and you are the one who convinced me to risk my life and sneak in to the headmaster's office.

STACY

and look where it has gotten you now! You are now the most respected agent in recorded history!

TYLER

I'm sorry.. It's over.

Tyler turns around, puts on his sunglasses and walks away.

STACY

Tyler!!...TYLER!!!
